The pool is calling and it's time to go swimming again! Come and "JOIN THE WAVES," Richland's winning neighborhood swim club, for a summer of friendly competition, fun, making new friends, and learning swim strokes. We are your neighborhood swim team and we want you to join us. The WAVES competes in the Gwinnett Swim League - one of the largest summer swim leagues in the US, with over 6,000 kids and almost 50 teams.

Who's eligible?

- Kids ages 4 through 18 as of June 1st, 2010, who are ...
 - Children of Richland residents in good standing with the Homeowners' Association, and
 - Non-resident children are also welcome for an additional \$35 fee
- The Waves team needs everyone from kids just learning to swim to accomplished competitors. We have a place for everyone, and all will get to compete.

Costs?

\$100 for the first child from your family, and \$95 for each additional family member; \$35 extra for non-residents. Payable by check or cash at registration. \$15 late fee for registrations submitted after April 16th.

Schedule?

Practice will begin May 17th. We'll have six meets this season, beginning the end of May. The season ends with the County meet on July 17th and 18th. An Awards Banquet to follow July 20th.

Coaches?

We have lined up a staff of fabulous coaches who have years of coaching experience and are accomplished swimmers. Even if your child can't yet swim from one end of the pool to the other, they will teach them how. The coaches will teach the four swim strokes needed for competition.

Documentation...

Parents of new team members must bring to registration your child's birth certificate. We will make a copy and forward it to Gwinnett County Swim League for their roster (new members only!)

Swimsuits and Spirit Wear

Your child will be fitted for their Speedo® competition swimsuit AT REGISTRATION, so it's a good idea to bring them with you. Bring a separate check for swimwear payment. Swim fins, goggles and Spirit Wear will be available for purchase as well. Get ready to show your Team Spirit!
