

Richland Waves Parent Contract

The Richland Waves is committed to providing your child/children with a successful swim season. To do this, we the Waves Board, in conjunction with the Coaches, have adopted several requirements for the Parents of a registered swimmer.

- During practice, only team swimmers will be allowed on the main pool deck during their designated time frame. All others will be asked to observe from the Kiddy pool or the Clubhouse deck. This is for the safety of the swimmers in the water.
- Coaches must be notified in advance of any absences/vacations of a registered swimmer as early as possible before a meet.
- Parents will provide the necessary swim gear needed for their child i.e.; swim cap, goggles, and a team suit or one piece suit.
- Parents must provide any prescription inhalers, Epi-pens, or medication a swimmer may require by the first practice scheduled. Parents who do not provide prescriptions will have to be present and accessible at all times during practice and meets. Any prescriptions will be returned after the season.
- One adult from each registered swimmer's family is required to work one shift at 4- 6 meets. If you fail to find a replacement or do not work your job assignment, your child/children will not be allowed to participate in the next scheduled swim meet.
